

Guidance Days and Times

Please select a day and time for guidance. Whenever it is time for guidance for your grade level, I will use the same day of the week and time listed here and simply email the team with the actual dates. Many lessons are 30 minutes. Upper grades should allow for at least 40 minutes. I will always specify how long the lesson will be in my email.

Please place your completed form in my box by _____.
Thank you!!
