

LUNCH BUNCH

Lunch Bunch is a small group session designed to boost self-esteem, social skills, and increase peer relations. Any student can attend, and sessions will be planned according to each group's specific need.

These groups are held during your grade level's lunch period.

- I will choose a group topic and supply the lunch bunch form to the grade level chair the week prior to lunch bunch. The grade level will decide which students need to attend the group. Grade levels have the option of changing the selected topic and choosing one that specifically meets the needs of their grade level. In both instances, I will need the form returned to my box by 4:00 on Fridays.
- I will send a special invitation to the students on the list. Students will have lunch bunch with me in my office.
- The grade level will send the Lunch Bunch group to the cafeteria at the time specified on the invitation. I will pick up the group from the cafeteria and return the group to the cafeteria.

Lunch bunch times are as follows:

Kindergarten: 10:55-11:25

1st Grade: 12:45-1:15

2nd Grade: 11:20-11:50

3rd Grade: 11:45-12:15

4th Grade: 11:55-12:25

5th Grade: 12:50-1:20

If your class comes earlier or later than the assigned time, PLEASE send your lunch bunch student to the cafeteria with another class so we may start and end on time. Also, please allow your lunch bunch students to get their lunches first.
